OUR VISION

St. Augustine Parish is a worshipping community that enthusiastically manifests faith through action, with open arms for all of God’s children.

OUR MISSION

We live God’s Word and continue His Work.
The Ascension of the Lord
May 17, 2015
Whoever believes and is baptized will be saved.
— Mark 16:16

PROCLAIM THE GOSPEL

Today we celebrate one of the tenets of our creed: that the Lord ascended into heaven. From Mark’s Gospel we hear the final words Jesus spoke to his disciples shortly before he ascended into heaven. Those were words of commissioning, no less real for us today than they were to the disciples then. We are called to “proclaim the gospel to every creature.” For the vast majority of us, this means that we proclaim the gospel by the witness of our everyday lives. Treating others with dignity and respect, providing for those less fortunate than ourselves, being good stewards of the many gifts showered on us, coming together as God’s family in worship and praise—these are all signs that the gospel has taken root in our lives.

TREASURES FROM OUR TRADITION

Surprisingly, the church moved very slowly in claiming marriage as a focus of attention and care. Nearly everywhere in the Roman world, citizens agreed on how to celebrate marriage. Consent of the man and woman is what made a marriage valid in the eyes of the law, and although there was a traditional ceremony, it was home-based and optional. The ceremony was for showing the social status of the families involved (the procession ideally detoured through crowds), and for reminding the woman of her legal transfer from her father’s control to her husband’s. The “big moment” of the ceremony had nothing to do with vows, but with the bride’s donning the yellow veil with red highlights that was the daily wear of married women. A wedding feast included soothsayers and animal sacrifice to the new household’s gods. Christians found that distasteful, of course, but since marriage was a family matter, they could edit things out. The church was comfortable with this, and sometimes recommended that the couple seek the advice of the bishop. His permission was only required for the marriage of a cleric, or for a marriage Rome didn’t recognize, such as between a free woman and a slave. There was no blessing, no liturgy, no priest. Christians followed the customs of the day, but they knew that custom and relationships were transformed from within themselves by the fact of their baptism. Outwardly, Christians married exactly as their pagan neighbors, but they certainly invested the usual gestures with a dynamic sense of Christ’s presence.
