OUR VISION
St. Augustine Parish is a worshipping community that enthusiastically manifests faith through action, with open arms for all of God’s children.

OUR MISSION
We live God’s Word and continue His Work.
THE TRINITY IS LOVE

Theologians throughout the Christian centuries have spilled much ink (and, on occasion, some blood) in describing and defining the mystery of the Holy Trinity. One of the earliest, most poetic, and beautiful descriptions comes from St. Augustine in De Trinitas, wherein he describes the Trinity as One (the Father) who loves, One (the Son) who is loved, and One (the Spirit) who is love. And these three Ones are also one Three.

If this is true of our human relationship, how much more does it call upon us to be joyful, loving witnesses of the Trinity as One (the Father) who loves, One (the Son) who is loved, and One (the Spirit) who is love. And these three Ones are also one Three.

It might be wisest for us to leave the technical wranglings to the academic theologians, and focus on the fact that the three Persons of the Trinity are indeed persons; they are best known and understood in their love for each other and for us. We are made in the image of those loving persons, and our best relationships are lived out in the context of love. Truly loving relationships are inexhaustible mysteries to be lived in joy. If this is true of our human relationships, how much more so is it true of our relationship with the Trinity. And how much more does it call upon us to be joyful, loving witnesses of the holy mystery of the One-in-Three. This is the mystery to which we were called when we were chosen to be God’s own, baptized with water in the name of the Holy Trinity.

TREASURES FROM OUR TRADITION

There are plenty of “treasures” in our tradition that if resurrected today would cause anxious moments for bishops! Many concern marriage. There was a time when the church “consecrated” both virgins dedicated to prayer and charity, and brides dedicated to husband and family. Virgins were blessed in the sanctuary of the church, and brides in the sanctuary of the home. The custom of blessing the bride in the marriage chamber was standard in England, Ireland, Spain, and France until the eleventh century.

If the groom (the groom’s side planned the wedding) chose from the full menu of liturgy, there would be a blessing of the bridal room, solemn evening prayer on the eve and morning prayer on the day of the wedding, a blessing at the church door of the spouses, and then in the church for the wife alone during Mass, and Communion. After the feast, a priest would represent the bride’s father in presiding over the legal process by which the bride transferred from her father’s clan to her husband’s. Some enduring customs hearken back to these days when marriage was seen as a contract between men (the bride’s father and the groom) and was not so much about living out one’s baptismal call, and certainly not about the equality of the spouses in Christ. Happily, this baptismal focus has been restored and unhelpful customs set aside by today’s marriage rite.
