Our Vision

St. Augustine Parish is a worshipping community that enthusiastically manifests faith through action, with open arms for all of God’s children.

Our Mission

We live God’s Word and continue His Work.
SENT BY GOD
In Amos’ time the vocation of prophet had achieved a very formal status in Israel. The prophets had arisen, originally, to act as God’s voice when Israel was no longer led by the spiritual/civil figures known as “judges,” but by monarchs. Over time, the monarchy had appropriated the offices of priest and prophet, established them into companies, and reserved the right to appoint courtly prophets. Then, as now, when those in power also got to choose who would act as their official conscience, things sometimes went awry. At such times, God raised up prophets from unlikely places, and this is how Amos received his vocation as prophet. In last week’s Gospel we heard how Jesus was raised up as God’s anointed from a place many viewed as unlikely. As we continue to discern our own vocation as baptized disciples, we can be assured that we are, in Paul’s words, “chosen, destined in accord with the purpose of the One who accomplishes all things according to the intention of his will” (Ephesians 1:11).

TODAY’S READINGS
First Reading — Amos said, “The LORD took me from following the flock, and said to me, Go, prophesy to my people” (Amos 7:12-15).
Psalm — Lord, let us see your kindness, and grant us your salvation (Psalm 85).
Second Reading — The God and Father of our Lord Jesus Christ has blessed us in Christ with every spiritual blessing (Ephesians 1:3-14 [3-10]).
Gospel — Jesus summoned the Twelve and began to send them out two by two (Mark 6:7-13).

TREASURES FROM OUR TRADITION
Many marriage customs stand in tension with modern American attitudes and values, notably “giving away the bride,” which is no longer in the Catholic liturgy, and reminds us of a time when marriage was a contract between men (the groom and the bride’s father). A Mexican custom, now approved for use in the United States, has a very different message.

An ancient Roman custom called for smashing pieces of gold and silver so that bride and groom could each keep half. This is the origin of today’s Mexican practice of the groom giving thirteen gold coins to the bride, symbolically placing all his worldly goods into her care, and a sign of his unconditional trust. The coins are often given in beautiful gift boxes and are retained as an heirloom. Why thirteen? The standard explanation is that they represent Jesus and the apostles. The priest blesses the coins and pours them into the bride’s cupped hands. Then she entrusts them to the groom, who later pours them back into her hands. This enduring ritual is in such harmony with our tradition’s view of marriage that it is now increasingly performed by English-speaking Hispanic Catholics at weddings in the United States.
