OUR VISION

St. Augustine Parish is a worshipping community that enthusiastically manifests faith through action, with open arms for all of God’s children.

OUR MISSION

We live God’s Word and continue His Work.
Eighteenth Sunday in Ordinary Time
August 2, 2015

Do not work for food that perishes but for the food that endures for eternal life.
— John 6:27a

GOD’S WORK

We are so busy! Most of us have more than one job to do, and we never seem to have enough time. We are workers, volunteers, parents, friends, and most of us are more than one thing at a time. But which of these is the work of God?

We seldom view our ordinary work as being the work of God. We may think that we have to be ministers or priests, missionaries or charity workers, engaged full-time in works formally identified as being “God’s work.” But everything we do with a faithful heart and with love for others is God’s work. We each have our own role to fill in the world, and many gifts are necessary. We cannot always see the direct connection of our daily work to the plan of God. But we trust and we believe that God leads us to do what is needed, where it is needed. What is “God’s work?” “This is the work of God, that you believe in the one he sent” (John 6:29).

TODAY’S READINGS

Second Reading — Put on the new self that has been created in God’s way (Ephesians 4:17, 20-24).
Gospel — I am the bread of life; whoever comes to me will never hunger (John 6:24-35).

TREASURES FROM OUR TRADITION

Customs surrounding wedding rites are often in tension with our liturgical tradition. Sometimes practices are almost forced on engaged couples. Anyone who has ever planned a wedding knows how quickly the invoices expand. A hundred dollars here, a hundred there, often for non-essentials, when more deeply traditional practices, like an expression of charity for the poor, fall by the wayside. One such practice often labeled as “deeply traditional” is the aisle runner for the bride. Actually, the American tradition is to clean our church buildings, in contrast to European village churches, which often had dirt or cobblestone floors. There, a band of linen (rented) or a carpet of flowers might be set in place for a bridal party. Here, plastic roll-ups are procured and positioned by the ushers for the bride’s entrance. The problems are many, not the least of which is that there is no “bride’s entrance” in our official liturgy. Another is that in a wedding Mass, the communicants have to navigate the treacherous aisle with the sometimes-slippery runner. The aisle runner is neither a treasure nor a tradition, and by omitting it, the couple who asks for canned goods for the poor to be brought to church at their wedding Mass will find an extra hundred dollars or so for the cause!
