TREASURES FROM OUR TRADITION
The French Revolution is hardly a “treasure” in our story, yet in 1789 it began to dismantle the way the world was organized: feudalism. The collapsed society had three basic divisions: those who work, those who fight, and those who pray. There wasn’t a great deal of movement among the ranks, yet one way to move out of the workers and the fighters was in the direction of the folks who prayed. These were the First Estate, the clergy.

One of the key persons in any manor or village was the priest. He could read, at least a bit, and so was the source for pronouncements and news from government and Church. He was assigned to celebrate the sacraments frequently and in conformance with certain rules.

Seminaries did not exist before the Reformation. Astute Protestant reformers then forced the Catholic world toward a more educated and able clergy. Before that, young men apprenticed with a priest to learn the essentials, and would be presented to the bishop for ordination. Other priests emerged from the university system, where students were required to be invested as clerics. Still others were monks, ordained not so much for ministry outside the monastic walls, but to offer Mass only for the intentions of the community’s benefactors.

WATCH YOUR POSTURE
Our posture is often a tip-off to our hospitality and reverence for the Lord. Note the actions of Abraham as he greeted the Lord in the presence of three men who appeared near his tent. He ran from the entrance of the tent to greet them. He bowed to the ground as he met them. He and Sarah, his wife, hastened to prepare a meal and bring food and water to their guests.

In the Gospel story, Jesus’ friend Mary sat at his feet in order to listen to him speak.

How do we welcome and reverence the Lord? What do our actions show? Do we remember the Lord’s presence in the Blessed Sacrament? How do we welcome the Lord in the scripture readings? How do we acknowledge his presence in our brothers and sisters, both at Mass and afterwards?

Whether we kneel, stand, or sit in the Lord’s presence, may our hearts and minds always be attuned to him.

PRAY DAILY
Each Christian needs half an hour of prayer each day, except when we are busy; then we need an hour.

“Stewardship is the grateful response of a Christian disciple who recognizes and receives God’s gifts and shares these gifts in love of God and neighbor.”

Prevent Your Tax Dollars Funding Abortion

Planned Parenthood, the largest abortion provider in America, is funded in large part by your hard earned tax dollars. In 2012, Planned Parenthood performed 327,166 abortions while collecting well over half a billion dollars from U.S. taxpayers. That is according to its own Annual Report and works out to an average of one abortion every 94 seconds! In addition to Planned Parenthood’s abortion business, it uses this money to promote, advertise and market the “benefits” of abortion, including partial birth abortion.

Planned Parenthood’s market share of the abortion industry continues to increase in spite of the total number of abortions declining. Planned Parenthood has reportedly spent hundreds of millions from the pockets of hard working Americans fighting lawsuits, legislation and other efforts, which have tried to reduce the numbers of abortions. Planned Parenthood has litigated in the US Supreme Court, trying to deny a law passed by Congress that banned the hideous and barbaric partial-birth abortion procedure. Now is the time to take a stand against Planned Parenthood and this horrible misuse of public funds. Let your voice be heard! Please let your Senator know that you do not want your money spent on the abortion industry.
