KEEP PRAYING

St. Monica, whose feast we celebrate in August, is often known as “the persistent mother.” She watched her oldest son, Augustine, turn his back on his Christian faith.

Monica was exasperated. For years she gave up talking directly to her son on the advice of a local bishop, who told her that it was better to talk to God about Augustine then to Augustine about God.

The mother never gave up praying for her son. Eventually Augustine gave up his wild ways, was baptized, and later ordained and named bishop of Hippo. St. Augustine went on to become one of the Church’s greatest scholars.

Today’s readings address the importance of persistent prayer. Abraham, in spite of trepidation that he is bothering the Lord, continues to ask about the fate of Sodom and Gomorrah. Jesus, in Luke’s Gospel, tells his disciples to “ask and you will receive; seek and you will find; knock and the door will be opened to you” (Luke 11:9). This is our charge: keep praying.

TODAY’S READINGS

First Reading — Abraham bargains with God to spare the city (Genesis 18:20-32).

Psalm — Lord, on the day I called for help, you answered me (Psalm 138).

Second Reading — Buried with Christ in baptism, we were also raised with him; all our transgressions are forgiven (Colossians 2:12-14).

Prevent Your Tax Dollars Funding Abortion

Planned Parenthood, the largest abortion provider in America, is funded in large part by your hard earned tax dollars. In 2012, Planned Parenthood performed 327,166 abortions while collecting well over half a billion dollars from U.S. taxpayers. That is according to its own Annual Report and works out to an average of one abortion every 94 seconds! In addition to Planned Parenthood’s abortion business, it uses this money to promote, advertise and market the "benefits" of abortion, including partial birth abortion. Planned Parenthood’s market share of the abortion industry continues to increase in spite of the total number of abortions declining. Planned Parenthood has reportedly spent hundreds of millions from the pockets of hard-working Americans fighting lawsuits, legislation and other efforts, which have tried to reduce the numbers of abortions. Planned Parenthood has litigated in the US Supreme Court, trying to deny a law passed by Congress that banned the hideous and barbaric partial-birth abortion procedure. Now is the time to take a stand against Planned Parenthood and this horrible misuse of public funds. Let your voice be heard! Please let your Senator know that you do not want your money spent on the abortion industry.
