We are now in the process of securing a building permit from the City of South San Francisco. Simultaneously, the altar renovation project is out for bid and the Archdiocese will review all the proposals and will assist St. Augustine in the selection process.

As we mentioned before, our goal for this project is to fully finance all the phases of the renovation without the necessity of borrowing additional funds from the Archdiocese. To date we have raised $754,822.81 which are restricted and deposited in the Archdiocese Deposit and Loan Fund. Unfortunately our fund raising efforts are still below the initial estimated cost of $1.4M.

We wish to thank our parishioners and friends for their commitment in making this project a reality. We are hopeful that we will complete this project debt free and we would like to request your continued support by fulfilling your outstanding pledges.

Sincerely,

Fr. Rene Ramoso

**Stewardship Prayer**

Jesus was the perfect steward of your gifts, showing that complete trust in You is necessary, and that giving of self is a most important part of following Him. May the offerings of our time, our talents, and our material resources be made in the same spirit of sacrifice that Jesus taught us by His life and
