Pastor’s Easter Message

Easter is the time to rejoice and be thankful for the gift of life, love and joy. To live such life, we become what our patron saint, Saint Augustine, said hundred years ago, an “Easter People.” He meant that the new life the Risen Lord brings must be embraced because it offers new beginning, new hope, a restoration and renewal to what we need to be in God’s eyes. Jesus’ resurrection assures the happy ending to everything that God created, in every space and time. That “in the end, all will be well” as told with strong persuasion by many spiritual and contemplative people. They say, “if it is not well, then it’s not the end.” For God and for Easter People, “In the end, all will be well.”

Allow me to take this opportunity, with our entire Saint Augustine Parish Staff, to express our gratitude, best wishes and all the joy of Easter, to all of you who have shared their Easter offerings and who have helped prepare and celebrate our Holy Week as prayerful, uplifting and enjoyable for those who have come to worship. You have all been witnesses of God’s invitation to become good stewards who commit to give their time, talent and treasure.

We pray that throughout this fifty days of Easter, we’ll continue to renew our faith in the Risen Lord and celebrate His everlasting presence among us in our sacred gatherings and many fellowships at our beautiful Saint Augustine Church.

Father Raymund M. Reyes

“Stewardship is the grateful response of a Christian disciple who recognizes, receives and cultivates God’s gifts and generously shares these gifts in love of God and neighbor.”
TREASURES FROM OUR TRADITION

Over the centuries, the Church has demonstrated a wonderful ability to adopt a culture’s favorite symbols and customs and assign them new meaning. Easter eggs have a very ancient pedigree: nature’s perfect package, emblem of new life, dyed and decorated and given as gifts in ancient Egypt, Rome, China, and Persia. Just as the long hard winter is over, the egg bursts with promise of life and nourishment. Long ago, Christians came to see the egg not as a symbol of spring’s rebirth, but of ours, and as a sign of Christ’s tomb. A Polish legend says that Mary, in compassion for the soldiers at the cross, gave them eggs, but that her tears stained their shells with brilliant color. Legends have their origin in tales told around a hearth, but they often contain a profound truth. The idea of Mary, the first Christian, engaged in a merciful act of forgiveness and tenderness even in the shadow of the cross, describes the age-old wish that Christ “Easter in us.”
